## Adyton receives approval to commence trading on the OTCQB market.

**Brisbane, Australia – July 29, 2021** – **Adyton Resources Corporation** (TSX Venture: ADY) (“Adyton”) is pleased to announce that after successfully completing the application process, the Company’s common shares have been approved for quotation on the OTCQB®, operated by the OTC Markets Groups. The Company’s common shares will begin trading on the OTCQB at the opening of the market on July 29 2021, under the stock symbol “ADYRF.” The Company’s common shares will remain listed on the TSX Venture Exchange under the ticker symbol “ADY.”

The OTCQB Venture Market is a transparent trading platform that offers a cost-effective method for United States investors to access Adyton’s securities. Investors can find Real-Time quotes (denominated in US dollars) and market information for Adyton shares at <http://www.otcmarts.com/stock/ADYRF/quote> along with current company news.

Frank Terranova, Chairman, President and Chief Executive Officer of Adyton commented “*United States investors have exhibited strong interest in Adyton’s portfolio of advanced PNG gold projects. The listing of the Company’s shares on the OTCQB will provide United States investors the ability to trade and settle in US dollars and provides Adyton greater access to one of the largest investment markets in the world at nominal cost. We expect the OTCQB listing to unlock considerable value for existing shareholders by assisting United States investors to participate in the Adyton story.*”

Galanopoulos & Company advised Adyton in relation to the OTCQB application process.
